ADMINISTRATION

"I thought I would never be a senior - and it is about commencement time already", is a thought frequently expressed by seniors.

This is a feeling we all have as time passes and the events of our lives become our past. Each person muses over the years of youth thinking how slowly time used to pass.

Before the clock and calendar conspire to move like a rocket for you too, make each hour count.

Thanks From The Editor

We, the 1968 TIGER Staff, sincerely hope that you have enjoyed the 1968 TIGER. Throughout your life, we hope that you will be able to look back and recall all of the smiles, tears, and dreams of '68 with pride and joy.

I wish to take this opportunity to thank Miss McLellan, our sponsor, who encouraged and guided the staff to make this yearbook a success.

Also, a special thanks goes to the staff. They were a hard-working group and without their co-operation, little would have been accomplished.
